

## GOOD NEIGHBOR POLICY

**CALYPSO ENTERPRISES**, LLC (Calypso) is the first grower/processor facility in Erie County to be awarded a permit as part of the Pennsylvania Medical Marijuana Program. Calypso manufactures medical marijuana products for wholesale to licensed dispensaries across the state of Pennsylvania.

The Calypso facility is not open to the public, is under 24/7 video surveillance, is fully access controlled and secure.

Calypso is committed to building relationships with neighbors while promoting the acceptance of medical marijuana as a burgeoning industry and as treatment for any of the qualifying chronic conditions in the Commonwealth.

Consumers and community members will have access to education information through the following channels and resources:

- Website [www.calypsoerie.com](http://www.calypsoerie.com)
- Facebook [facebook.com/CalypsoEnterprises](https://www.facebook.com/CalypsoEnterprises)
- Twitter [@CalypsoErie](https://twitter.com/CalypsoErie)
- Instagram [calypso\\_erie](https://www.instagram.com/calypso_erie)
- Email [info@calypsoerie.com](mailto:info@calypsoerie.com)
- Web-based Learning
- Hotline (814) 528-9125
- Dispensary relationships
- Medical provider relationships
- Community Advisory Board

*The Pennsylvania Medical Marijuana Program supports patient access through 21 qualifying conditions and a streamlined process to access a patient/caregiver medical card. More information about the program can be found by visiting [www.medicalmarijuana.pa.gov](http://www.medicalmarijuana.pa.gov) or [www.CalypsoErie.com](http://www.CalypsoErie.com)*

The Calypso facility is located in proximity to a residential neighborhood and will demonstrate good manufacturing principles and ethical behavior through the following avenues:

- **Community outreach**
  - Educational & informational materials on website for neighbors, along with contact info
  - Participating in the Adopt-A-Highway program on East 12th Street, East Lake Road & Downing Ave.
- **Parking lot area is well-lit to maximize visibility and security**
- **24/7 physical security**
- **Limited amount of traffic in/out of facility**
  - No visitors, no public access
  - No overnight deliveries
  - Minimal semi-truck sized deliveries
- **Grounds maintained**
  - Sidewalks cleared, fence kept free from debris
  - Work with the City of Erie to ensure Downing Avenue is regularly plowed throughout the winter months
- **Minimal amount of facility noise**
  - Occasional dumpster pick up/drop off, truck beeping
- **Odor control systems include**
  - State of the art air cleaning systems
  - All plant material is rendered unrecognizable prior to final disposal.

**CALYPSO'S GOAL IS TO HELP THE ERIE COMMUNITY BY PROVIDING JOB OPPORTUNITIES WITHIN A NEW INDUSTRY AND WILL USE ITS FINANCIAL, PHYSICAL AND HUMAN RESOURCES TO ENHANCE LOCAL AND REGIONAL OFFERINGS.**
